

PA24-062 Gtwin

Item	Description	Approved product price (price per unit unless specified)																				
1	Annual subscription fee of proposed GTwin Platform Tier 1: > HK\$ 5 Billion project sum, Include 100 concurrent users, which could support 8 main functional modules listed in the table below. The price includes total 5 days of 2-hour training where a maximum of 20 people can attend.	1,813,491 / Set																				
2	Annual subscription fee of proposed GTwin Platform Tier 2: HK\$ 2 to HK\$ 5 Billion project sum, Include 40 concurrent users, which could support 8 main functional modules listed in the table below. The price includes total 5 days of 2-hour training where a maximum of 20 people can attend.	1,008,831 / Set																				
3	Annual subscription fee of proposed GTwin Platform Tier 3: < HK\$ 2 Billion project sum, which could support 8 main functional modules listed in the table below. The price includes total 5 days of 2-hour training where a maximum of 20 people can attend.	625,424 / Set																				
4	The GTwin version 2 (latest version release) supports 8 core functional modules: 1. BIM & CDE 2. ESG 3. Planning and Progress 4. Quality & DWSS 5. Site Monitoring 6. Safety Monitoring Modules (4S) 7. Offsite Manufacturing & Logistics 8. P&E Management All modules are included in any one of the tiers. 4S modules are listed in the table below. <table border="1" data-bbox="300 1546 978 1902"> <thead> <tr> <th colspan="2">SSSS Modules</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Digitized tracking system</td> </tr> <tr> <td>2</td> <td>Permit-to-work system</td> </tr> <tr> <td>3</td> <td>Electric lock & key system</td> </tr> <tr> <td>4</td> <td>Mobile plant danger zone proximity system</td> </tr> <tr> <td>5</td> <td>Tower crane lifting zone proximity system</td> </tr> <tr> <td>6</td> <td>Smart personnel monitoring device</td> </tr> <tr> <td>7</td> <td>Hazardous area monitoring system</td> </tr> <tr> <td>8</td> <td>Confined space monitoring system</td> </tr> <tr> <td>9</td> <td>VR safety training</td> </tr> </tbody> </table>	SSSS Modules		1	Digitized tracking system	2	Permit-to-work system	3	Electric lock & key system	4	Mobile plant danger zone proximity system	5	Tower crane lifting zone proximity system	6	Smart personnel monitoring device	7	Hazardous area monitoring system	8	Confined space monitoring system	9	VR safety training	N/A
SSSS Modules																						
1	Digitized tracking system																					
2	Permit-to-work system																					
3	Electric lock & key system																					
4	Mobile plant danger zone proximity system																					
5	Tower crane lifting zone proximity system																					
6	Smart personnel monitoring device																					
7	Hazardous area monitoring system																					
8	Confined space monitoring system																					
9	VR safety training
