

Item 項目	Product Description 產品描述	Approved Product Price (HK\$)	Unit
PA Product Code: PA24-075	Product Name: Artificial Intelligent Based Construction Site Safety Issues Detection System		
1	Missing helmet + missing reflective vest + danger zone detection bundled (included Helmet Color Detection)	4800	every 4 camera per month
2	Missing helmet detection	1850	every 4 camera per month
3	Missing reflective vest	1850	every 4 camera per month
4	Danger zone worker detection	1850	every 4 camera per month
5	Helmet Color Detection- Identify helmet colors of workers	600	every 4 camera per month
6	People counting	950	every 4 camera per video stream
7	Crane hook lowering	5800	every 4 camera per tower crane
8	Crane hook safety zoning	4800	every 4 camera per video stream
9	Loading and unloading area access	4200	every 4 camera per entrance
10	Dump Truck Content Detection- Detect materials in dump	3000	every 4 camera per month
11	2 - hour training with 10 seats included	N/A	N/A
12	Anavision User Visualization Platform (standard version)	48000	per license for first 24 months
13	Anavision User Visualization Platform (standard version) (After first 24months)	16000	per license per quarter
14	Portable 4G Enabled AI Camera System with peer input, battery, and stand	23800	unit
15	Network-enabled Audio and Visual Alert Terminal	9500	unit
16	Crane Hook Lowering Sensors, Range Detector & MCU (including setup fee)	67500	crane
17	4G Crane Hook Camera setup on the trolley (including setup fee)	38000	unit
18	Loading & unloading area access video camera plus UHF RFID receiver	38000	entrance
19	Additional Portable Battery for portable camera system	3800	unit
20	Portable Battery Charger	2400	unit
21	Platform installation and system training	9800	site
22	Portable 4G Enabled AI Camera System installation and setup	3800	unit
23	Loading & unloading area access video camera plus UHF RFID receiver setup	6500	entrance
24	Network- enabled Audio and Visual Alert Terminal installation and setup fee	3800	unit
