PA18-030 SOLIDWORKS		
Item	Description	Approved product price (price per unit unless specified)
1	SolidWorks Standard 2022 (Standalone License) Software Capability & Modules: 1. Part and Assembly Modeling 2. 2D Drawings 3. Design Reuse and Automation 4. Animation and Visualization 5. Interference Check 6. Collaborate and Share CAD Data 7. Advanced CAD File Import 8. Basic Analysis Tools 9. Productivity Tools 10. Design for Manufacturing 11. SOLIDWORKS CAM Standard***Functions only valid with under Subscription period**	HK$47,700.00
2	Initial SolidWorks Subscription Service (Standalone License) (1 Year) 1. Automatic upgrade to latest version of SolidWorks 2. Comprehensive technical support from Authorized Training, Support and Testing Center 3. Access to comprehensive Knowledge Base and discussion forum 4. Make enhancement requests 5. Manufacturing Network 6. Free Pass to Technique Sharing Group (TSG) 7. Upgrade Version Seminar 8. 1 Hour Onsite Technical Inspection (per year)	HK$11,700.00
3	SolidWorks Professional 2021 (Network License) Software Capability & Modules: 1. All feature in the SolidWorks Standard 2. CAD Libraries 3. Automatically Task Scheduling and Batch Processing 4. Design for Cost & Cost Estimation 5. ECAD/MCAD Collaboration (CircuitWorksTM) 6. Advanced Photorealistic Rendering (PhotoView 360) 7. CAD Standard Checking 8. Automated Tolerance Stack-Up Analysis (TolAnalyst) 9. SOLIDWORKS File Management 10. Reverse Engineering (ScanTo3D) 11. eDrawings® Professional 12. SOLIDWORKS Visualize Standard **Functions only valid with under Subscription period**	HK$72,600.00

Comprehensive technical support from Authorized Training, Support and Testing Center 3. Access to comprehensive Knowledge Base and discussion forum 4. Make enhancement requests 5. Manufacturing Network 6. Free Pass to Technique Sharing Group (TSG) 7. Upgrade Version Seminar 8. 1 Hour Onsite Technical Inspection (per year)	HK$16,500.00
5	**SolidWorks Premium 2021 (Network License)** 1 $ 96,800 Software Capability & Modules: 1. All features in the SolidWorks Standard & Professional 2. Motion Analysis 3. Structural Part and Assembly Analysis 4. Life-Cycle Assessment (LCA) for Environmental Impact (Sustainability) 5. Routing Pipes and Tubes 6. Routing Electrical Cabling and Wiring Harnesses 7. Routing of Rectangular and Other Sections 8. Advanced Surface Flattening 9. Assembly Level Cost Roll Up 10. SOLIDWORKS Visualize Standard **Functions only valid with under Subscription period** **Initial SolidWorks Premium Subscription Service (Network License) (1 Year)** 1 $ 22,000 1. Automatic upgrade to latest version of SolidWorks 2. Comprehensive technical support from Authorized Training, Support and Testing Center 3. Access to comprehensive Knowledge Base and discussion forum 4. Make enhancement requests 5. Manufacturing Network 6. Free Pass to Technique Sharing Group (TSG) 7. Upgrade Version Seminar 8. 1 Hour Onsite Technical Inspection (per year)	Refer to the description
6	SolidWorks Professional Add-ins Training SolidWorks professional add-in feature (Visualize Standard, Toolbox, Scanto3D, SolidWorks Utilities) that increase productivity, ensure accuracy, and help you communicate all design information more effectively. Length: 0.5 day	HK$1,000.00
7	SolidWorks Premium Add-ins Training SolidWorks premium add-in feature (Advanced Flatten, Simulation, Motion, and Routing) that increase productivity, ensure accuracy, and help you to validate your design more effectively. Length: 0.5 day	HK$1,500.00
8	SolidWorks Network Installation	HK$40,000.00
